Instructions for Transfer

A member in good standing may be transferred from one unit of the Society to another. All transfer requests must be processed by the chapter treasurer receiving the transfer. The process is as follows:

- Fill out and send to the chapter treasurer to which you wish to transfer. Society Headquarters will provide help in locating a suitable chapter should you require.
- Keep dues payment current. Dues are payable to the chapter treasurer by June 30. If a new chapter has not been located and the transfer cannot be processed before July 1, members should pay dues to their current chapter. Upon the member's request, the current chapter may waive *chapter* dues for the next year since the member will not be in attendance at its meetings. The member will then have a full year to visit chapters and complete the transfer before the next dues deadline.
